

DECLARATION OF CONSENT FOR THE STORAGE OF APPLICANT DATA IN AN APPLICANT POOL

- If my application does not justify an employment relationship in the specific application procedure, I consent to Movilitas Consulting GmbH, Hermsheimer Str. 5, 68163 Mannheim ("MOVILITAS") storing my personal data, which I have provided in my application letter together with attachments (e.g. cover letter, curriculum vitae, certificates) beyond the end of the specific application procedure for future job advertisements of the company.
- I agree that MOVILITAS may use the above data to contact me at a later date and initiate a new application process if I should be considered for another position.
- My consent also extends to the processing and storage of "special categories of personal data" within the meaning of Art. 9 DSGVO, insofar as I have provided MOVILITAS with such data (e.g. a photo showing ethnic origin, details of severely disabled persons, etc.) as part of another application with the documents submitted. MOVILITAS, however, would like to evaluate all applicants only according to their qualifications and therefore asks that such information be omitted from the application as far as possible.
- I agree that my data may be transferred to other companies in the MOVILITAS Group (MOVILITAS Consulting Belgium, MOVILITAS Consulting France, MOVILITAS Consulting UK and to MOVILITAS Consulting LLC, 8830 Stanford Blvd. Suite 300 Columbia MD 21045, USA), if my application is considered for an open position at another company in the MOVILITAS Group.

I was comprehensively informed about my right of revocation and the consequences of a revocation of consent in the context of the data protection declaration "Information for applicants according to Art. 13 DSGVO on the handling of applicant data".
